

# John Mayer - Assassin

Tom: D

I work in the dead of night, when the roads are quiet,  
 And no one is around to track my moves  
 Racing the yellow lights to find the gate is open,  
 She's waiting in the room. I just step on through  
 OHHHHHHH You get in, you get done and then you get gone  
 You never leave a trace, or show your face, you get gone  
 Should've turned around and left before the sun came up again  
 But the sun came up again  
 Enter the morning light to find the day is burning  
 the curtains and the wine in a little white room  
 Though I'm not alone, her head is heavy on me  
 She's sleeping like a child  
 What could I do

OHHHHHHH You get in, you get done and then you get gone  
 You never leave a trace, or show your face, you get gone  
 Should've turned around and left before the sun came up again  
 But the sun came up again

I was a killer, was the best they'd ever seen  
 I'd steal your heart before you ever heard a thing  
 I'm an assassin and I had a job to do  
 Little did I know that girl was an assassin too  
 Suddenly I'm in over my head  
 and I can hardly breathe  
 Suddenly I'm floating over  
 her bed and I feel everything  
 Suddenly I know exactly what I did,  
 but I can not move a thing  
 And suddenly I know exactly what I've done  
 And what it's gonna mean to me, mean to me  
 I'm gone
