

John Mayer - Come Back To Bed

Tom: A

(intro 2x) E Gbm D

Still is the life
Of your room when you're not inside
And all of your things
Tell the sweetest storyline
Your tears on these sheets
And your footsteps are down the hall
So tell me what I did
I can't find where the moment went wrong at all...

(ponte)

You can be mad in the morning
I'll take back what I said
Just don't leave me alone here
It's cold baby

(refrão)

Come back to bed

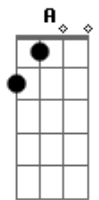

Come back to bed
Come back to bed
Come back to bed ... come on back to bed

What will this fix?
You know you're not a quick forgive
And I won't sleep through this
I survive on the breath you are finished with...

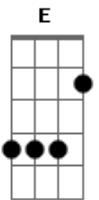

(ponte)
(refrão)
(solo)

You can be mad in the morning
Or in the afternoon instead
But don't leave me 98 and 6 degrees from separation from you, baby
Come back to bed
Come back to bed
Come back to bed...
Don't hold your love over my head
