

# John Mayer - Every Little Thing She Does No Such Thing

Tom: E

Standard Tuning  
No Capo  
Tabbed By: Trav

John plays it fairly percussively,  
with some palm muting and lots of slapping on  
the low notes to keep the beat.

Intro:

Part 1 (x2)

Part 2 (x1) a. b.

c.

He plays the first 4 chords and  
either a or b or c (they all sound good)

Part 3 (x2) Part 4 (x1)

Intro: Freshman year,  
Mom asks "What do you want to do when you get out of here?"  
I said, "Well, gee, I'm only 13, but I think I'd like to

play  
my guitar...(a) be a star."  
"Well," she said, "that's not it, you got time to go."  
Good sense will kick in anytime, you know.

I'm not worried, (b) I'm not worried."

Sophomore year,  
she asked the same old thing,  
my answer had remained unchanged.  
I saw her (b) fidget with her thumbs.  
She said, "You like computers, John,  
you like computers, don't you?  
Yeah, I always see you with computers...  
you like computers  
maybe you could do something with computers.  
(b) Yeah, wouldn't that be nice?"

Junior year,  
It's a little more intense,  
She says, "What do you want to do with your life?"  
I'm not on the fence, I know exactly what I aim to be,  
(b) and I'm only 17.  
She said, "Well, all I ask, is that you pay attention in  
class,  
so if you happen to change your mind in time,  
you can still go somewhere reputable...  
(c) do us proud."  
So I went downstairs,  
(c) and I played guitar loud.

Yeah, senior year,  
Same old question,  
She said, "What do you want to do?"  
I said, "Play my guitar and sing."  
She said, "There's no such thing."  
She said, "There's no such thing..."

(speaking: I love you Mom)
