

# John Mayer - Friends, Lovers Or Nothing

Tom: A

**A**  
Now that we are over

**B**  
As the loving kind

**Bm** **E7**  
We'll be dreaming ways

**D** **A**  
To keep the good alive

**A**  
Only when we want is not

**B**  
A compromise

**Bm** **E7**  
I'll be pouring tears

**D** **A** (A Abm Gbm) (Riff 1)  
Into your drying eyes

**Gbm** **B7**  
Friends, lovers, or nothing

**Bm** **E7** **A** (A G#m-Gbm) (Riff 1)  
There can only be one

**Gbm** **B7**  
Friends, lovers, or nothing

**Bm** **E7**  
We'll never be the inbetween

**D** **A**  
So give it up

**A**  
You whisper "Come on over"

**B**  
Cause your two drinks in

**Bm** **E7**  
But in the morning I will say

**D** **A**  
Good-bye again

**A**  
Think we'll never fall into

**B**  
The jealous game

**Bm**  
The streets will flood

**E7** **D** **A** (A Abm Gbm) (Riff 1)  
With blood of those who felt the same

**Gbm** **B7**  
Friends, lovers, or nothing

**Bm** **E7** **A** (A Abm Gbm) (Riff 1)  
There can only be one

**A** **B7**  
Friends, lovers, or nothing

**Bm** **E7**  
We'll never an inbetween

**E** **B**  
So give it up

**Gbm** **B7**  
Friends, lovers, or nothing

**Bm** **E7** **A**  
We can really only ever be one

**Gbm** **B7**  
Friends, lovers, or nothing

**Bm** **E7**  
We'll never be the inbetween

**D** **A**  
So give it up

**Bm** **E7**  
No, we'll never the inbetween

**D** **A**  
So give it up

**Bm** **E**  
We'll never be the 'inbetween'

**D** **A**  
So give it up

**A** **E** **Gbm**  
Anything other than yes is no

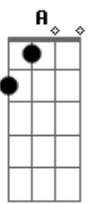

**A7** **D**  
Anything other than stay is go

**Dm** **A** **E**  
Anything less than I love you is lying (repete até o final)
