

John Mayer - Friends, Lovers Or Nothing

Tom: A

A
Now that we are over

B
As the loving kind

Bm **E7**
We'll be dreaming ways

D **A**
To keep the good alive

A
Only when we want is not

B
A compromise

Bm **E7**
I'll be pouring tears

D **A** (A Abm Gbm) (Riff 1)
Into your drying eyes

Gbm **B7**
Friends, lovers, or nothing

Bm **E7** **A** (A G#m-Gbm) (Riff 1)
There can only be one

Gbm **B7**
Friends, lovers, or nothing

Bm **E7**
We'll never be the inbetween

D **A**
So give it up

A
You whisper "Come on over"

B
Cause your two drinks in

Bm **E7**
But in the morning I will say

D **A**
Good-bye again

A
Think we'll never fall into

B
The jealous game

Bm
The streets will flood

E7 **D** **A** (A Abm Gbm) (Riff 1)
With blood of those who felt the same

Gbm **B7**
Friends, lovers, or nothing

Bm **E7** **A** (A Abm Gbm) (Riff 1)
There can only be one

A **B7**
Friends, lovers, or nothing

Bm **E7**
We'll never an inbetween

E **B**
So give it up

Gbm **B7**
Friends, lovers, or nothing

Bm **E7** **A**
We can really only ever be one

Gbm **B7**
Friends, lovers, or nothing

Bm **E7**
We'll never be the inbetween

D **A**
So give it up

Bm **E7**
No, we'll never the inbetween

D **A**
So give it up

Bm **E**
We'll never be the 'inbetween'

D **A**
So give it up

A **E** **Gbm**
Anything other than yes is no

Anything other than stay is go

Anything less than I love you is lying (repete até o final)
