Great Indoors

Verses 1
Check your pulse

It's proof that you're not listening to
The call your life's been issuing you
The rhythm of the line of idle days

Verses 2
Scared of the world outside you should go explore
Pull all the shades and wander the great indoors
The great indoors

Verses 3
Lamplight makes the shadows play
And posters take the walls away
The TV is a window pane
The view wont let you down

Verses 4
So put your faith in a late night show
I bet you didn't even know
Depends on how far out you go
The channel numbers change

Verses 5
Scared of the world outside you should go explore
Pull all the shades and wander the great indoors

Bridge
Though lately I can't blame you
I have seen the world
And sometimes wish your room had room for two

Solo...

Verses 6
So go unlock the door
And find what you are here for
Leave the great indoors
Leave the great indoors

Verses 7
Check your pulse
It's proof that you're not listening to
The call your life's been issuing you
The rhythm of the line of idle days
Of idle days
