Tom: B

(forma dos acordes no tom de A )

Capostrate na 2ª casa

Intro: A D A D

I guess I just feel like

I guess I just feel like

Nobody's honest

Nobody's true

Everyone's lying

To make it on through

I guess I just feel like

I'm the same way too

A D

Oooooo

A D

Oooooo

I guess I just feel like

Good things are gone

The weight of my worries

Is too much to take on

I think I remember

this dream that I had

That love's gonna save us

From a world that's gone mad

I guess I just feel like

What happened to that?

G D

Ooooo

G Gbm

Ooooo

G D

Ooooo

G Gbm E

Ooooo

( A D A D )

I guess I just feel like

The joke's getting old

The future is fading

And the past is on hold

But I know that I'm open

I know that I'm free

I'll always let hope in

Wherever I'll be

And if I'm still blind

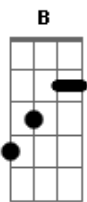

I'll still find my way

I guess I just felt like

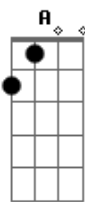

Giving up today?

( A D A D A )
