

John Mayer - I Will Be Found (lost At Sea)

```
Intro: C Bb F Dm Bb C
                 Rh
It doesn't matter where you roam
When no one's left to call you home
I might have strained a bit too far
                   Dm
I'm countin' all the moonlit stars
Pré refrão:
I'm a little lost at sea
            Bb
I'm a little birdie in a big old tree
Ain't nobody looking for me
Here out on the highway
Refrão:
But I will be found
But I will be found
When my time comes down
But I will be found
(Intro)
Somedays, I think it's all okay
Some nights, I throw it all away
                 Bb
I saw her face and I could tell
                     Dm
```

```
My ghost had left the town as well
(Pré refrão)
Refrão:
Bridge: Bb C Bb C
Pré refrão:
I'm a little lost at sea
           Bb
I'm a little birdie in a big old tree
Ain't nobody looking for me
             Bb
Here out on the highway
Baby, I'm a runaway train
         Bb
Baby, I'm a feather in a hurricane
Maybe it's a long grey game
                Bb
But maybe that's a good thing
(Refrão)
(CBbFC)
So I keep runnin' 'til my run is gone
Keep on ridin' 'til i see that dawn
And I will be found
I will be found
( C Bb F Dm Bb C )
