

John Mayer - I'm Gonna Find Another You

Tom: A

It's really over, you made your stand
 You got me crying, as well as you planned

But when my loneliness is through, I'm gonna find another you

You take your sweaters
 You take your time
 You might have your reasons but you will never have my rhymes

I'm gonna sing my way away from blue
 I'm gonna find another you

When I was your lover

No one else would do
 If I was forced to find another I hope she looks like you
 Yeah and she's nicer too

So go on baby
 Make your little get away
 My pride will keep me company
 And you just gave yours all away
 Now I'm gonna dress myself for two
 Once for me and once for someone new
 I'm gonna do somethings you wouldn't let me do
 Oh I'm gonna find another you
