

# John Mayer - My Stupid Mouth

Tom: **D**  
Intro: **D D D G Bm D G**

Verse 1:  
My stupid mouth Has got me in trouble  
I said too much again  
To a date over dinner yesterday  
And I could see she was offended  
She said "well anyway..."  
Just dying for a subject change  
Oh, a - nother social casualty Score one more for me  
How could I forget? Mama said "think before speaking"  
No filter in my head Oh, what's a boy to do  
I guess he better find one soon

Verse 2:  
We bit our lips she looked out the window rolling tiny balls of napkin paper  
I played a quick game of chess with the salt and pepper shak - er  
And I could see clearly an indelible line was drawn  
Between what was good, what just slipped out and what went wrong  
Oh, the way she feels about me has changed  
Bm . . . D7sus4

Thanks for playing, try a - gain.  
How could I forget? Mama said "think before speaking"  
No filter in my head Oh, what's a boy to do  
I guess he better find one

Chorus:  
I'm never speaking up a - gain  
It only hurts me  
I'd rather be a myste - ry  
Than she de - sert me  
Oh I'm never speaking up again  
Starting now

Verse 3:  
One more thing why is it my fault?  
So maybe I try too hard  
But it's all because of this desire  
I just wanna be liked, I just wanna be fun - ny  
Looks like the jokes on me, so call me captain backfire  
Oh, a - nother social casualty Score one more for me  
How could I forget? Mama said "think before speaking"  
No filter in my head Oh, what's a boy to do  
I guess he better find one soon
