# John Mayer - New Deep

```
Tom: D
Intro: (2x)
D   A   C   Bm
D   A   C   G

Verse: (2x)
D     A  C        Bm
I'm so alive I'm so enlightened I can

D     A      C           G
barely survive A night in my mind

   D         A  C         Bm
So I've got a plan  I'm gonna find out just how

D       A   C           G
boring I am And have a good time

Chorus:
                    D      A
'Cause ever since I tried?, trying not to find
             C          Bm
Every little meaning in my life
          D              A
It's been fine, I've been cool
        C          G
With my new golden rule

              D
Now it's the new deep
              Bm
Down with the old me
           Em7
Talk is the same cheap
     A
It's been

Middle-tro:
D   A   C   Bm
D   A   C   G

Verse: (2x)
D         A C          Bm
Is there a guy  Why is he waiting

          D        A        C          G
Don't you figure it out When he knows my address

   D           A  C            Bm
And look at the stars Don't they remind you

D                 A        C         G
Just how feeble we are Well it used to I guess

Chorus:
                    D      A
'Cause ever since I tried?, trying not to find
             C          Bm
Every little meaning in my life
          D              A
It's been fine, I've been cool
        C          G
With my new golden rule

              D

Now it's the new deep
                 Bm
Down with the old me
                 Em7
I'm over the analyzing tonight

Em                        D
Stop trying to figure it out
(you try to figure, you try to figure it out)
G                        A
It will only bring you down

                                  G
open No and all the time I'm probably
                                 A
Never gonna find the perfect rhyme
                  D
For heavier things

Outro: (Fade)
     A   C   Bm
D   A   C   G
