D A C Bm
D A C G
Verse: (2x)
                 Bm
D A C
I'm so alive I'm so enlightened I can
barely survive A night in my mind
So I've got a plan I'm gonna find out just how
boring I am And have a good time
Chorus:
'Cause ever since I tried?, trying not to find
                       Bm
Every little meaning in my life
It's been fine, I've been cool
    С
                G
With my new golden rule
Now it's the new deep
            Bm
Down with the old me
           Em
Talk is the same cheap
It's been
Middle-tro:
D A C Bm
D A C G
Verse: (2x)
         A C
                     Bm
Is there a guy Why is he waiting
Don't you figure it out When he knows my address
And look at the stars Don't they remind you
Just how feeble we are Well it used to I guess
'Cause ever since I tried?, trying not to find
Every little meaning in my life
It's been fine, I've been cool
With my new golden rule
```

```
Now it's the new deep
Down with the old me
          Fm
Talk is the same cheap

Bridge: (4x)
     D D
I'm a new man  I wear a new cologne
            D
                        D
And you wouldn't know me If your eyes were closed
            D D
I know what you'd say This will last longer than
  D D
                     D
the rest of the day But you're wrong this time
You're wrong
Chorus:
            D
Now it's the new deep
Down with the old me
           Em
I'm over the analyzing tonight
Stop trying to figure it out
(you try to figure, you try to figure it out)
It will only bring you down
open No and all the time I'm probably
Never gonna find the perfect rhyme
For heavier things
Outro: (Fade)
