

# John Mayer - Perfectly Lonely

Tom: C

Verso:

C F ( C ) Dm G (2x)

Had a little love  
But I spread thin  
Falling in her arms at night again  
Made a bad name for my game around town  
Tore up my heart, and shut it down

Ponte:

C F Dm G (2x)

Nothing to do  
Nowhere to be  
A simple little kind of free  
Nothing to do  
No one but me  
That's all I need

Refrão:

C F Dm G Em Am F G

I'm perfectly lonely  
I'm perfectly lonely  
I'm perfectly lonely  
Cause I don't belong to anyone  
Nobody belongs to me

Verso:

C F ( C ) Dm G (2x)

I see my friends around from time to time  
When the ladies let them slip away  
And when they ask me how I'm doing with mine  
This is always what I say

Ponte:

C F Dm G Em Am F G

Nothing to do  
Nowhere to be  
A simple little kind of free  
Nothing to do  
No one to be  
Is it really hard to see

Refrão:

C F Dm G Em Am F G

I'm perfectly lonely  
I'm perfectly lonely  
I'm perfectly lonely  
Cause I don't belong to anyone  
Nobody belongs to me

Am Em F G ( Abm ) Am Em F G

And this is not to say  
There never comes a day  
I'll take my chances and start again  
And when I look behind  
On all my younger times  
I have to thank the wrongs that led me to a love so strong

Solo 2x: C F Dm G

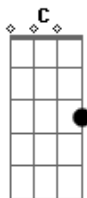

C F Dm G Em Am F G

I'm perfectly lonely  
I'm perfectly lonely  
I'm perfectly lonely  
Cause I don't belong to anyone  
Nobody belongs to me

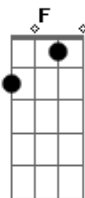

C F Dm G (2x)

It's the way that I want it  
It's the way that I want it  
It's the way that I want it  
It's the way that I want it
