

John Mayer - Shot In The Dark

tom:

Intro: D G D D G D A G
D G D G D A G

[Primeira Parte]

It's a hard run
Loving like we do
Takes way too long to get over you
And remember the line we drew
But call me over and I'm coming through

[Refrão]

We're searching for the night together
Where we don't fall apart
Might be now and it might be never
It's just another shot in the dark
It's just another shot in the dark

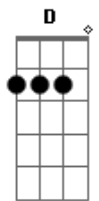

[Segunda Parte]

And I wonder what it all means
Strange conversation with you in my dreams
And I don't know what I'm gonna do
I've loved seven other women and they all were you

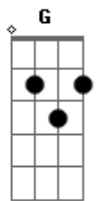

[Refrão]

We had a run of bad romances
They always missed the mark
So close your eyes and take your chances

[Terceira Parte]

If you thought you met your Casanova
And he left you with a broken heart
Remember when it's done and over

[Refrão]

It was only just a shot in the dark
It was only just a shot in the dark
It's just another shot in the dark
It's just another shot in the dark, come on now

It's just another It was just
Another now
