

# John Mayer - Sucker

Tom: E  
Intro:

Verso:

And there could be no other way  
cause you're so vain  
Your tired words are all the same  
I would surely walk away  
if I wasn't such a sucker for you

Sometimes  
I wish that I was a bong hit  
You'd let me in and love every minute  
and tell the room  
the things I did to you

And there could be no other way  
cause you're so vain  
Your tired words are all the same  
I would surely walk away  
if I wasn't such a sucker for you

I see your world with rosy colored glasses on  
what a right would i see wrong  
I could never have that power over you

(Intro)

Sometimes  
I wish that I was the weather  
you'd bring me up in conversation forever  
and when it rained  
I'd be the talk of the day

Sometimes  
I wish that I was a cold beer  
I'd rest assured that you would hold me near you  
I'd be guaranteed to be just what you need

Someday  
I'm gonna pack up and leave this town  
I'm gonna get my own place going on  
and when I do  
I'll forget about how  
you're so lame  
your tired words are all the same  
I would walk, you know I'd away  
if I wasn't such a sucker for you  
I wasn't such a sucker for you  
I wasn't such a sucker for you
