 Some of us, we're hardly ever here
 The rest of us, we're born to disappear E
 How do I stop myself from being just a number?
 How will I hold my head to keep from going under?
A
 Down to the wire
B
 I wanted water, but I'll walk through the fire
A
 If this is what it takes to take me even higher
B
 Then I'll come through like I do when the world keeps
Gbm7
 Testing me, testing me, testing me
 How did they find me here? What do they want from me?
E
 All of these vultures hiding right outside my door
 I hear them whispering, they're tryin' to ride it out
 They've never gone this long without a kill before
A
 Down to the wire

B
 I wanted water, but I'll walk through the fire
A
 If this is what it takes to take me even higher
B
 Then I'll come through like I do when the world keeps
Gbm7
 Testing me, testing me, testing me
 Wheels up, I got to leave this evening
 Can't seem to shake these vultures off of my trail E
 Power is made by power being taken
 So I keep on running to protect my situation
A
 Down to the wire
B
 I wanted water, but I'll walk through the fire
A
 If this is what it takes to take me even higher
B
 Then I'll come through like I do when the world keeps
Gbm7
 Testing me, testing me, testing me
A B
 Ooooooh, ooooooh
Gbm7

Gbm7
 Don't give up, give up, give up
