

John Mayer - Walk On The Ocean

Tom: B

(com acordes na forma de G)
 Capotraste na 4ª casa
 (capo 4ª casa)

We spotted the ocean at the head of the trail
 where are we going, that's so far away?
 Now somebody told me this is the place
 Where everything's better and everything's safe

(chorus)

Walk on the ocean Step on the stones
 Flesh becomes water Wood becomes bone

(verse2)

Half an hour later we packed up our things

Said we'd send letters, and all of those little things
 And they knew we were lying, but they smiled just the same
 It seemed they'd already forgotten we came

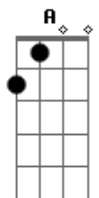

(chorus)

(bridge 4x) (just play the chords to the chorus)

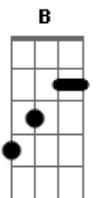

(verse3)

Back at the homestead, where the air makes you choke
 And people don't know you and trust is a joke
 Don't even have pictures, just memories to hold
 They grow sweeter each season as we slowly grow old
