Letra  
Intro: VERSE PT 1  
People have the right to fly  
And, well, when it gets compromised

VERSE PT 2  
Their hearts say "Move along"  
Their minds say "Gotcha heart"  
Let's move it along  
Let's move it along

VERSE PT 1  
And airports  
See it all the time

VERSE PT 2  
With someone's last goodbye  
Blends in with someone's sigh  
Cause someone's coming home  
In hand a single rose

CHORUS

And that's the way this wheel keeps working now  
That's the way this wheel keeps working now  
And I won't be the last  
No I won't be the last,  
To love her

VERSE PT 1  
And you can't build a house of leaves  
And live like it's an evergreen

VERSE 2  
It's just a season thing  
It's just this thing that seasons do

CHORUS  
And that's the way this wheel keeps working now  
That's the way this wheel keeps working now  
And you won't be the first  
No you won't be the first  
To love me

VERSE 1  
VERSE 2  
VERSE 1  
VERSE 2

VERSE 1  
You can find me, if you ever want to give

VERSE 2  
I'll be around the bend  
I'll be around  
And if you never stop when you wave goodbye  
You just might find if you give it time  
You will wave hello again  
You just might wave hello again

CHORUS (without second part)  
And that's the way this wheel keeps working now  
That's the way this wheel keeps working now

OUTRO  
You can't love too much, one part of it  
I believe that my life's gonna see  
The love I give  
Return to me
