

# John Mayer - Wherever I Go

Tom: B

Wherever I go  
 Whatever I do  
 I wonder where I am in my relationship to you  
 Wherever you go  
 Wherever you are  
 I watch your laugh play out in pictures from afar  
 Wherever I go

Whatever I do  
 I wonder where I am in my relationship to you.  
 Wherever you go  
 Wherever you are  
 I watch that pretty laugh play out in pictures from afar
