

John Mayer - You're Gonna Live Forever In Me

Tom: G

A great big bang and dinosaurs
 Fiery raining meteors
 It all ends unfortunately
 But you're gonna live on forever in me
 I guarantee, just wait and see

Parts of me were made by you
 And planets keep their distance too
 The moon's got a grip on the sea
 And you're gonna live on forever in me
 I guarantee, it's your destiny

Life is full of sweet mistakes
 And love's an honest one to make
 Time leaves no fruit on the tree
 But you're gonna live forever in me
 I guarantee, it's just meant to be

(G C Em A)
 (C G Am D)

And when the pastor asks the pews
 For reasons he can't marry you
 I'll keep my word and my seat
 But you're gonna live forever in me
 I guarantee, just wait and see
