

John Mayer - You're No One 'til Someone Lets You Down

Tom: D

No, I've not seen you this way before
 Standin' a mess at my door

Well, it took you so long
 But you finally found

You're no one 'til someone lets you down
 You believed that all people are kind
 That you'd never mess with your mind

And you gave her your trust
 And she busted your crown
 You're no one 'til someone lets you down

Yes, I've been told
 That some people grow old
 Without losing a part of their soul

But if that is true
 I don't wish it on you
 There's so much to adore in a heart that is blue

There's a light in your eyes that is pure

But you won't give away anymore
 But just think of the things
 We can talk about now
 You're no one 'til someone lets you down

- Solo -

Yes, I have heard
 There are some that avoid
 All the pain that will come with the fall
 But if that's the case
 It would surely erase
 All the joy that you feel
 When the hurt fades away

There's a hard-ticket train on the way
 Waitin' to take you away
 Will you please keep in mind
 When it pulls into town

You're no one 'til someone lets you down
 You're no one 'til someone lets you down
 You're no one 'til someone lets you down
