

John Moreland - Cleveland County Blues

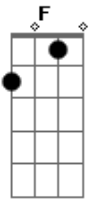

tom:
 C
 My baby is a tornado
 F C
 In the endless Oklahoma sky
 C
 Spinning devastation
 F F
 And singing me a lullaby
 Am F

And you're wrecking all the rooftops
 F C
 When April turns to May
 Am Dm
 It wouldn't make a difference
 Dm Dm F
 If I could or couldn't stay
 C
 I fall back into love
 Am F
 And look up and then you're gone
 F F C
 But I still feel you storming in my bones
