Intro: C Am G C Am F C F C G C

C  
Come down from your mountain  
Am G C  
I miss your holy shouting  
Am  
These days I can't make you make a sound  
F C  
Take me to the times when  
F C  
We'd look up to the skies  
G  
And climb up there and draw the thunder down  
C  
Now I'm forcing myself into  
Am G C  
What you've already been through  
Am  
But darling I can't help the way I feel  
F C  
And you need something stronger  
F C  
A drug to kill the hunger  
G C  
And ease the awful pain of living here  
Am C  
And I'm the kind of love it hurts to look at  
Am C  
And maybe we should take it as a sign  
F C  
When I'm strung out on leaving  
F C  
Exalting all my demons  
G C

And you don't care for me enough to cry

( C Am G C Am F C F C G C )

C  
I dreamt I'd take you with me  
Am G C  
And you'd say you forgive me  
Am  
And we'd live out some easy, ancient song  
F C  
Now we're out here unattended  
F C  
In the splendid loving remembrance  
G C  
You lost the mind to even do me wrong  
Am C  
And I'm the kind of love it hurts to look at  
Am C  
But once I was enough to make you try  
F C  
Now I'm underneath the rubble  
F C  
Trying not to feel the trouble  
G C  
And you don't care for me enough to cry  
( C Am C Am C F C F C G C )  
Am C  
So here's to hoping I can change tomorrow  
Am C  
You wanted hard as nails cut and dry  
F C  
But I beg, steal, and borrow  
F C  
I'm so damn good at sorrow  
G C  
And you don't care for me enough to cry
