

# John Newman - Fire In Me

Tom: C

apotraste na 3ª casa Em  
Never gonna let you go

Em  
I'm never gonna let you go

Em  
I'm starting with my intuition

G  
I'm starting with my strengths

Bm  
I'm getting back my old ambitions

A  
Returning once again

Em  
My knuckles are so red and raw

G  
From breaking through these walls

Bm  
Sick of all the others talk

A  
And I left her of my fault

Em G Bm A  
I was a spark in the night but you drown me out  
Em G Bm A  
So I'll take the walls inside and I'll burn them down

A  
'Cause I still got a fire in me

Em  
I never wanna let it go

Em  
I never wanna let it go

G Bm A  
I-I-I-I still got a fire in me

Em  
I never wanna let it go

Em  
I never wanna let it go

G Bm A  
I-I-I-I still got a fire in me

Em  
I never wanna let it go

Em  
I never wanna let it go

G Bm A  
I-I-I-I still got a fire in me

Em  
I never wanna let it go

Em  
I never wanna let it go

G Bm A  
I-I-I-I still got a fire in me

Em  
I've dealt with all my evils

G  
And I'm dealing with them twice

Bm  
There will never be a sequel

A  
And the curtain will never rise

Em  
Although my body has been aching

G  
I held on to the ropes, oh no

Bm

I've never left the ring, yeah

A  
And I won't be letting go

'Cause I still got a fire in me

Em  
I never wanna let it go

Em  
I never wanna let it go

G Bm A  
I-I-I-I still got a fire in me

Em  
I never wanna let it go

Em  
I never wanna let it go

G Bm A  
I-I-I-I still got a fire in me
