

# John Newman - Gold Dust

tom:  
 Hear me now, it's my time to talk  
 I'm throwing out these 2 years of thoughts  
 Freeze and take a deep breath  
 I'll lay my heart out helpless on the floor  
 Tears crash down  
 Your face, not mine  
 Screaming out how I changed through time  
 I know it's hard to leave it  
 To say we've been defeated  
 But everything around has changed  
 My my  
 We had  
 Gold dust  
 Gold dust  
 Gold dust  
 Gold dust  
 (No more)  
 Tear drops  
 Tear drops  
 Tear drops  
 ( F )  
 Memories, without fortune or fame  
 Endlessly, through the night and through the day  
 We make hard times seem easy  
 Dark days seem so pleasing

But everything around has changed  
 My my  
 We had  
 Gold dust  
 Gold dust  
 Gold dust  
 (No more)  
 Tear drops  
 Tear drops  
 Tear drops  
 ( F )  
 ( Am C G F )  
 ( Am C G F )  
 And I'm so sorry darling  
 When I wake you're just gonna leave  
 And I don't want you to be lonely  
 'Cause I know you'll find your love again  
 And I promise I'll stop calling  
 If it makes it easy for you  
 I hate to see you leaving  
 When it's for the best believe, my friend  
 Gold dust  
 Gold dust  
 Gold dust  
 (No more)  
 Tear drops  
 Tear drops  
 Tear drops  
 ( F )
