

# John Waite - Missing You

tom:

Every time I think of you, I always catch my breath  
 And I'm still standing here, and you're miles away  
 And I'm wonderin' why you left  
 And there's a storm that's raging through my frozen heart  
 Tonight

I hear your name in certain circles  
 And it always makes me smile  
 I spend my time thinkin about you  
 And it's almost driving me wild  
 And there's a heart that's breaking down this long distance  
 Line tonight

I ain't missing you at all  
 Since you've been gone away  
 I ain't missing you, no matter what I might say  
 There's a message in the wire, and I'm sending you this  
 Signal tonight

You don't know how desperate I've become  
 And it looks like I'm losing this fight

In your world, I have no meaning  
 Though I'm trying hard to understand  
 And it's my heart that's breaking down this long distance  
 Line tonight

I ain't missing you at all since you've been gone away  
 I ain't missing you, no matter what my friends say

And there's a message that I'm sending out  
 Like a telegraph to your soul  
 And if I can't bridge this distance  
 Stop this heartbreak overload

I ain't missing you at all since you've been gone away  
 I ain't missing you, no matter what my friends say  
 I ain't missing you, I ain't missing you, I couldn't lie to myself

And there's a storm that's raging  
 Through my frozen heart tonight

I ain't missing you at all since you've been gone away  
 I ain't missing you, no matter what my friends say
