

John Waite - Missing You

tom:

E

Every time I think of you, I always catch my breath

And I'm still standing here, and you're miles away

And I'm wonderin' why you left

And there's a storm that's raging through my frozen heart

Tonight

I hear your name in certain circles

And it always makes me smile

I spend my time thinkin about you

And it's almost driving me wild

And there's a heart that's breaking down this long distance

Line tonight

I ain't missing you at all

Since you've been gone away

I ain't missing you, no matter what I might say

There's a message in the wire, and I'm sending you this

Signal tonight

You don't know how desperate I've become

And it looks like I'm losing this fight

E

In your world, I have no meaning

Though I'm trying hard to understand

And it's my heart that's breaking down this long distance

Line tonight

E

I ain't missing you at all since you've been gone away

I ain't missing you, no matter what my friends say

Dbm

And there's a message that I'm sending out

Like a telegraph to your soul

Gb

And if I can't bridge this distance

Stop this heartbreak Overload

E

I ain't missing you at all since you've been gone away

I ain't missing you, no matter what my friends say

E

I ain't missing you, I ain't missing you, I couldn't lie to myself

Dbm

And there's a storm that's raging

Through my frozen heart tonight

E

I ain't missing you at all since you've been gone away

I ain't missing you, no matter what my friends say

Acordes
