

John Waller - Our God Reigns Here

```
Tom: C
                                                                          I command you to leave in Jesus' na----me
                                                                         Go back from whence you came, 'cause
   (intro) Am
(verse 1)
                                                                (refrão)
                                                                Our God reigns here, our God reigns here
          Spirit of death, you have no place here
                                                               We claim this ground, in Jesus' name
          I command you to leave in Jesus' name
                                                                cause our God reigns
          Spirit of fear, you have no place here
                                                                Our God reigns here, our God reigns here
          I command you to leave in Jesus' na-----me
                                                                The battle's won, have no fear,
          You're not welcome here
                                                                cause God reigns here
          so GO,
                                                                God reings here there's no doubt he has overcome the world
(verse 2)
                                                                God reings here there's no doubt he has overcome the world
F G Am
          Spirit of doubt, you have no place here
                                                                (refrão)
          I command you to leave in Jesus' name
                                                                Our God reigns here, our God reigns here
          Envy and jealousy, you have no place here
          I command you to leave in Jesus' na-----me
                                                               We claim this ground, in Jesus' name
          Go back from whence you came,
                                                                cause our God reigns
(refrão)
                                                                Our God reigns here, our God reigns here
Our God reigns here, our God reigns here
                                                                The battle's won, have no fear,
We claim this ground, in Jesus' name
                                                                The battle's won, have no fear,
                                                                            Αm
                                                                The battle's won, have no fear
cause our God reigns
Our God reigns here, our God reigns here
                                                                cause God reigns here
                                                                there's no doubt he has overcome the world
The battle's won, have no fear,
cause God reigns here
                                                                God reigns here, there's no doubt he has
(verse 2)
                                                               overcome the world
                                                                God reigns here there's no doubt he has overcome
          Anger and rage, guilt and shame,
                                                                the world.
          I command you to leave in Jesus' name
                                                                God reigns here there's no doubt he has overcome
          Depression, anxiety, addiction infirmity,
