                   D
Intro: D  Am  D  Am  D  Am7  Gm  D

            Am   C  D
Cold is the night
             A7  C  D
And blue is the day
            Am
Cold is the night
         G  D
Without you
          Am  D
Same stupid game
         Am7  D
I always lose
           Am
Same stupid game
         G  D
Without you
              E7
Cold is the night
        Bm  Em
Cold is the night
            D
Cold is the night
              Bm
Cold is the night
             Em
Cold is the night
             D   Bm
Cold is the night
        Dbm          Gbm  D  G
I don't make promises
         D        Bm
I don't tell lies
```

```
                   G            A  Bm7  A  Bm
And I don't take anyone's advice
            Gbm              G
One thing I'm certain of
                   D       Bm
This time it's for real
         G                 A    D
Well I sure don't know how it feels

            Am   D
Cold is the night
              Am7  D
And blue is the day
            Am
Cold is the night
         Gm  D
Without you
           Am  Am7  D
Same stupid game
                  Am7   D
'Cause I always lose
               Am
The same stupid game
         Gm  Gm
Without you
              E7
Cold is the night
        Bm  Em
Cold is the night
            D
Cold is the night
              Bm
Cold is the night
             Em
Cold is the night
             D   Bm
