

Johnny Cash - Bird On a Wire

Tom: **F**

Intro: **F**

Like a **F** bird, on a **C** wire, like a **F** drunk in a **Bb** midnight choir.

I have **F** tried in my **C** ways to be **F** free.

Like a **F** fish, on a **C** hook, like a **F** knight in some old fashioned **Bb** book.

I have **F** saved all my **C** ribbons for **F** thee.

And if **Bb** I, if I have been **F** unkind.

I just **Gm** hope you, will let it **F** go by.

And if **Bb** I, if I have been **F** untrue.

I just **Gm** hope you know, it was never **C** to you.

Like a **F** baby, stillborn, like a **C** beast with his **F** horn. **Bb**

I have **F** torn everyone who **C** reached out to me. **F** **F**

But I **F** swear, by this **C** song, and by all that I have **F** done wrong. **Bb**

I'll **F** make it all up to thee. **C** **F** **F**

I saw a **Bb** young man, leaning on his **F** wooden crutch.

He **Gm** called out to me, don't ask for so much. **F**

And a **Bb** young woman, leaning in her **F** darkened door.

She **Gm** cried out to me, hey why not ask for more. **C**

Like a **F** bird, on a **C** wire, like a **F** drunk in a **Bb** midnight choir.

I have **F** tried in my **C** ways to be **Bb** free. **F**
