Tom: Bb

(com acordes na forma de A )  
 Capotraste na 1ª casa  
 Capo 1

<sup>A</sup>  
 I got great big blisters on my bloodshot eyes from lookin'  
<sup>A</sup> <sup>E</sup> <sup>A</sup>  
 At that long legged woman up ahead  
<sup>A</sup>  
 What she does simply walkin' down the sidewalks of that city  
<sup>A</sup> <sup>E</sup> <sup>A</sup>  
 Makes me think about a stray cat gettin' fed  
<sup>D</sup>  
 She's got a whole lotta motion in her soul I know  
<sup>A</sup> <sup>E</sup>  
 But her soul ain't the place she lets it show

<sup>E</sup>  
 She got a body, oh yeah, she got a motion, oh yeah,  
<sup>E</sup>  
 Lord I'm blistered, oh yeah  
<sup>A</sup> <sup>D</sup>  
 She done tore my soul apart put big blisters on my heart  
<sup>E</sup> <sup>A</sup>  
 What a mighty crazy crooked way to go  
  
 I got great big blisters on my fingertips from reachin'  
 In my pocketbook and pickin' out the bills  
 And I got tiny white blisters in my throat from tryin'  
 To ease my nervous tension takin' all them happy pills  
 And ever since she started runnin' round from bar to bar  
 I just can't eat a bite or keep my stomach settled down  
  
 Chorus twice
