:
:Drive on, don't mean nothin', drive on

I remember one night, Tex and me
Rappelled in on a hot L.Z.
We had our 16's on rock and roll
But, with all that fire, I was scared and cold
We were crazy, we were wild
And I have seen the tiger smile
I spit in a bamboo viper's face
And I'd be dead , but by God's grace

{chorus}

It was a real slow walk in a real sad rain
And nobody tried to be John Wayne
I came home, but Tex did not
And I can't talk about the hit he got
I got a little limp now when I walk
Got a little tremolo when I talk
But my letter read from Whiskey Sam
You're a walkin' talkin' miracle from Vietnam

{chorus}
