

Johnny Cash - Flushed From The Bathroom Of Your Heart

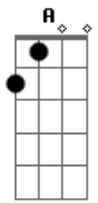

Tom: A

From the ^A back door of your life, you've swept me out ^D dear
 In the ^E breadline of your dreams, I lost my ^A place
 At the table of your love, I got the brush off ^D
 At the ^E Indianapolis, of your heart, I lost the race. ^A ^E ^A
^D I've been washed down the sink, of your ^A conscience
 In the theatre of your love, I lost my ^E part ^D

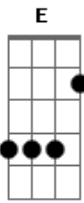

And now you say you've got me out, of your conscience
 I've been ^E Flushed From The Bathroom, Of Your ^A Heart.

In the ^A garbage disposal of your dreams, I've been ground up ^D
 dear
 On the ^E river of your plans, I'm up the creek ^A
 Up the ^D elevator of your future, I've been shafted
 On the ^E calendar of your events, I'm last week ^A ^E ^A
