

Johnny Cash - Go On Blues

Tom: A

Go on blues Go on lonesome
 Get your dark clouds Off me
 Go on blues Go on trouble
 Stay away from me Set me free

I've been down through That valley with you
 And now if you just go on Than I can go on too

Go on blues Get away from me
 Go on by me Go on blues

Go on blues Go on lonesome

Listen to me Here's the news

I don't want you And I don't need you
 I don't like you Go on blues

Lord if you hear Would lean down here
 And lift me up there I know you could bow me through
 Go on blues Get on by me
 Go on from me Go on blues

Yes I've been down through That valley with you
 And if you just go on Than I can go on too
 Go on blues Get away from me
 Go on by me Go on blues
