

Johnny Cash - I Guess Things Happen That Way

Tom: A

Well, you ask me if I'll forget my baby
 I guess I will some day
 I don't like it but I guess things happen that way

You ask me if I'll get along
 I guess I will some way
 I don't like it but I guess things happen that way

CHORUS:

God gave me that girl to lean on, then he put me on my own
 Heaven help me be a man and have the strength to stand alone
 I don't like it but I guess things happen that way

You ask me if I'll miss her kisses
 I guess I will every day
 I don't like it but I guess things happen that way

You ask me if I'll find another
 I don't know, I can't say
 I don't like it but I guess things happen that way

CHORUS

Acordes
