

# Johnny Cash - I See a Darkness

Tom: F  
Intro: Bb F Bb F F Dm

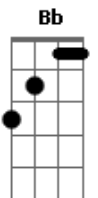

Well you're my friend  
And can you see  
Many times we've been out drinking  
Many times we've shared our thoughts  
But did you ever, ever notice  
the kinds of thoughts I got  
Well you know I have a love  
a love for everyone I know  
And you know I have a drive  
to live I won't let go  
But can you see its opposition comes rising up sometimes  
That it's dreadful and positioned comes blacking in my mind  
And that I see a darkness  
And that I see a darkness  
And that I see a darkness  
And that I see a darkness

Did you know how much I love you?  
Is there hope that somehow you can save me from this darkness?  
Well I hope that someday buddy, we have peace in our lives  
Together or apart, alone or with our wives  
And we can stop our whoreing  
And pull the smiles inside  
And light it up forever  
And never go to sleep  
My best unbeaten brother  
This isn't all I see  
Although I see a darkness  
Although I see a darkness  
I know I see a darkness  
I know I see a darkness  
Did you know how much I love you?  
Is there hope that somehow you can save me from this darkness?
