

# Johnny Cash - I Still Miss Someone

Tom: C

At my door the leaves are falling  
 The cold wild wind will come  
 Sweethearts walk by together  
 And I Still Miss Someone

I go out to wild the parties  
 And look for a little fun  
 But I find the darkened corner  
 'Cause I still miss someone

Ponte{x}  
 Though I never got over those blue eyes  
 I see them everywhere  
 I miss those arms that held me

When all the love was there

I wonder if she's sorry for  
 For leaving what we had begun  
 There's someone for me somewhere  
 And I Still Miss Someone

Though I never got over those blue eyes  
 I see them everywhere  
 I miss those arms that held me  
 When all the love was there

I wonder if she's sorry for  
 For leaving what we had begun  
 There's someone for me somewhere  
 And I Still Miss Someone
