

# Johnny Cash - I Talk To Jesus Every Day

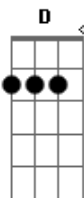

tom:  
 Well you talk about important people that you say you know  
 Presidents and superstars of big television shows  
 Well I know someone personally who's bigger than 'em all  
 And next to him your superstars look mighty small  
 And I have a talk with him each day and he's interested in every word I say  
 No secretary ever tells me he's been called away I talk to Jesus every day

Well now I don't think that I'll ever be in any Hall of Fame  
 And the social register of wealthy folks might drop my name  
 But my name is written in the book of life I'm proud to say  
 And that's all that really matters anyway  
 And I talk to Jesus every day and he's interested in every word I say  
 No secretary ever tells me he's been called away I talk to Jesus every day  
 I talk to Jesus every day
