

Johnny Cash - I'd Rather Die Young

Tom: C

I'd rather die young than grow old without you
 So don't ever leave me whatever you do
 To see someone's picture where my picture hung
 Believe me my darling I'd rather die young

I'd rather die young than grow old without you
 So don't ever leave me whatever you do

Though others may tempt you and tell you they care
 You'll find only sorrow in a secret affair

Don't leave me
 Never Leave Me
 Please don't leave me
 Never leave me

{ guitar }
