

Johnny Cash - If I Give My Soul

Tom: D

^A Down a dangerous road, I have come to where I'm standing ^D
 With a heavy heart, and my hat clutched in my hand ^E
 Such a foolish man, God ain't known no greater sinner ^A
 I have come in search of Jesus, hping he will understand ^D

 If I give my soul, will he clean these clothes I'm wearin'? ^A
 If I give my soul, will he put new boots on my feet? ^E
 If I bow my head and beg God for his forgiveness ^D
 Will he breathe new breath within me and bring her back to ^A
 me? ^E

 I had a woman once, she was kind and she was gentle ^D
 Had a child by me, who grew up to be a man ^A
 I had a steady job, til I started into drinkin' ^D
 Then I started makin' music travellin' with the Devil's ^A
 band ^E

^D Oh the years went by like a mighty rush of eagles ^A
 Our dreams and plans were all scattered in the wind ^E
 And it's a lonesome life, when you lose the ones you live ^A
 for ^D
 If I make my peace with Jesus, will she take me back ^E
 again? ^A

 If I give my soul, will he stop my hands from shaking? ^D
 If I give my soul, will my son love me again? ^E
 If I give my soul, and she knows I really mean it ^A
 If I give my soul to Jesus, will she take me back again? ^D

 If I give my soul, will he clean the clothes I'm wearin' ^A
 If I give my soul, will he put new boots on my feet ^E
 If I bow my head, and beg God for his forgiveness ^D
 Will he breathe new breath within me and bring her back to ^A
 me? ^E
