

Johnny Cash - If You Could Read My Mind

Tom: A

E
If you could read my mind, love

D
What a tale my thoughts could tell.

E
Just like an old time movie,

D
'Bout a ghost from a wishing well.

E E7
In a castle dark,

A B
Or a fortress strong, with chains around my feet.

Dbm
You know that ghost is me,

A E
And I will never be set free,

A B
As long as there's a ghost that you can't see.

E
If i could read your mind, love,

D
What a tale your thoughts would tell.

E
Just like a paperback novel,

D
The kind the drugstores sell.

E E7
When you reached the part

A B
Where the heartaches come, the hero would be me.

Dbm
But heroes often fail.

A E
And you won't read that book again,

A B
Because the ending's just too hard to take.

E D E D E D
I'd walk away

E E7
A B
Like a movie star, who gets burned in a three-way script.

A E
Enter number two:

A E
A movie queen to play the scene

A B E
Of bringing all the good things out in me

A E
But for now, love, let's be real.

A E
I never thought, I could act this way.

A B
And I've got to say that I just don't get it.

A E
I don't know where we went wrong,

A B
But the feeling's gone, and I just can't get it back.

E
If you could read my mind, love,

D
What a tale my thoughts could tell.

E
Just like an old time movie,

D
'Bout a ghost from a wishing well.

E E7
In a castle dark,

A B
Or a fortress strong, with chains upon my feet.

Dbm
But stories always end

A E
If you read between the lines

A B E
You'll know that I'm just trying to understand

A E
The feelings that you lack

A E
I never thought I could feel this way

A B
and I've got to say that I just don't get it

A E
I don't know where we went wrong,

A B
But the feeling's gone, and I just can't get it back.
