and it all goes down in your mind

In your mind In your mind

Sunday words are back again and you eat your fundamentalist pie but just a piece you understand you get the rest up in the sky

Praise and glory, wounded angels shufflin' 'round the room eternity is down the hall and you sit there bendin' spoons

In your mind In your mind

Father, Son, and Holy Ghost sacrificial drops of pain on a silver plated cross sanctification on a chain

Thay say redemption draweth nigh the storms of silence from above stop your ears and close your eyes and try to find the face of love
