

Johnny Cash - Katy Too

Tom: G

I'm not the going steady kind, I miss em' all all the time
 I told Annie I'd be true but I still think about Katy too
 Katy too, Katy too, I still think about Katy too

If you should see Miss Mary Ann, just tell her I'm her
 lovin' man
 Give my love to Jean and Sue but don't forget ol' Katy too
 Katy too, Katy too, don't forget ol' Katy too

I like Sadie's chicken stew and Suzy's good at pitchin'
 woo
 I like Mary's barbecue but I still like ol' Katy too
 Katy too, Katy too, I still like ol' Katy too

Now girls I'm not the flirty kind but I just can't make up
 G

my mind
 I'd like to marry all of you but I'd still miss ol' Katy
 too

Katy too, Katy too, I'd still miss ol' Katy too

To all the girls I make this toast I love you everyone the
 most

But don't ask me to say I do cause I still miss ol' Katy
 too

Katy too, Katy too, I still miss ol' Katy too

Cupid you've been good to me I've got more girls than I
 can see

But if you give me all the two than let's squeeze in ol'
 Katy too

Katy too, Katy too, Then lets squeeze in ole Katy Too

Acordes
