

# Johnny Cash - Meet Me In Heaven

Tom: B

(com acordes na forma de G )  
 Capotraste na 4ª casa

We saw houses falling from the sky  
 Where the mountains lean down to the sand  
 We saw blackbirds circling 'round an old castle keep  
 And I stood on the cliff and held your hand  
 We walked troubles brooding wind swept hills  
 And we loved and we laughed the pain away  
 At the end of the journey, when our last song is sung  
 Will you meet me in Heaven someday

Can't be sure of how's it's going to be  
 When we walk into the light across the bar  
 But I'll know you and you'll know me  
 Out there beyond the stars

We've seen the secret things revealed by God  
 And we heard what the angels had to say  
 Should you go first, or if you follow me  
 Will you meet me in Heaven someday

Instrumental

Living in a mansion on the streets of gold  
 At the corner of Grace and Rapture Way I  
 n sweet ecstasy while the ages roll  
 Will you meet me in Heaven someday

In sweet ecstasy while the ages roll  
 Will you meet in Heaven someday
