

Johnny Cash - Meet Me In Heaven

Tom: B

(com acordes na forma de G)
 Capotraste na 4ª casa

We saw houses falling from the sky
 Where the mountains lean down to the sand
 We saw blackbirds circling 'round an old castle keep
 And I stood on the cliff and held your hand
 We walked troubles brooding wind swept hills
 And we loved and we laughed the pain away
 At the end of the journey, when our last song is sung
 Will you meet me in Heaven someday

Can't be sure of how's it's going to be
 When we walk into the light across the bar
 But I'll know you and you'll know me
 Out there beyond the stars

We've seen the secret things revealed by God
 And we heard what the angels had to say
 Should you go first, or if you follow me
 Will you meet me in Heaven someday

Instrumental

Living in a mansion on the streets of gold
 At the corner of Grace and Rapture Way I
 n sweet ecstasy while the ages roll
 Will you meet me in Heaven someday

In sweet ecstasy while the ages roll
 Will you meet in Heaven someday
