

Johnny Cash - Please Don't Let Me Out

Tom: G

(intro) C G G D G

G
I've been in jail eleven years and parole has just come through,
D the gates will soon swing open wide but I'm not going through.
C Jail's the only home I know or care to know about,
D please let me stay where I belong, please don't let me out.!

C
How could I tell those friends of mine they've seen the last of me,
D can't I make you understand I never can be free ?

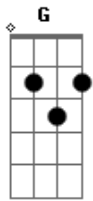

G
'Cause that's a big unfriendly world and I don't know the route

G
that leads to where I may belong, please don't let me out!

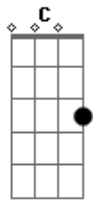

(C G G D G)

G C
I had to learn to get along without a lot of things,
D C and I had to learn to live with the loneliness confinement brings.
G C
And I learnt to take no mail from home or whatever came about,
D G G7
now I'm dug in and I'm happy here, please don't let me out!
C G
How could I tell those friends of mine they've seen the last of me,
G D can't I make you understand I never can be free ?
C
'Cause that's a big unfriendly world and I don't know the route
D
that leads to where I may belong, please don't let me out!
G C G
Yes, that's a big unfriendly world and I don't know the route
D
that leads to where I may belong, please don't let me out!
