C Jail's the only home I know or care to know about,
D please let me stay where I belong, please don't let me out.!

C How could I tell those friends of mine they've seen the last of me,
D can't I make you understand I never can be free ?

G 'Cause that's a big unfriendly world and I don't know the route

G that leads to where I may belong, please don't let me out!
