

Johnny Cash - That Christmas Feeling

Tom: D

There's a choir outside of my house singin' Silent Night

For any little thing that's gone wrong Christmas makes it right

The children are singing Christmas carols and everybody's holdin' hands

We've got that Christmasy feeling again

Singin' Joy To The World and Here Comes Santa Claus

Mama's bakin' turkey and daddy's makin' popcorn balls

Em

And sister's hangin' mistletoe there's good will to all men

We've got that Christmasy feeling again

There's happiness in my heart with Christmas on its way
With the family all back together again oh what a happy day
I hope it snows and the north wind blows my boy wants a little toy train
We've got that Christmasy feeling again

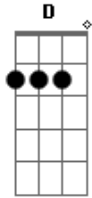

Chorus

Up to Key of E

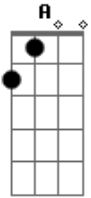

Chorus

We've got that Christmasy feeling again
