

Johnny Cash - The General Lee

Tom: C

I'm a Charger, That Charges Through The Night
 Like An Orange Bolt Of Lightning, Passing Everything In Sight
 I'm The Best Pal The Duke Boy's Ever Had
 I'm Thunder On The Highway, Looking Bad, Bad, Bad
 I'm A Knight, Like The Kind In Shining Armor
 With My Polished Body Gleaming, I'm A Fighter And A Charger
 If Trouble Comes Your Way Just Ask For Me
 My Friends All Know Me As THE GEN-E-RAL LEE

Chorus:

I'm The General Lee, A Pistol Pumping, Steel Belted Cavalry
 I'll Never Let You Down When Your Riding With Me
 Buckle Up And I'll Show You What I Mean

Take A Look Back There, Sirens Going, Red Lights Flashing EVE-
 RY-WHERE

We'll Cross The Field And We'll Be Running Free
 They'll Eat Dust With Compliments Of Me The General Lee

I'm A Hero, And That's How I'll Make You Feel
 When Your Riding Shotgun With Me And The Law Is At Your Heel
 I'm Glory Bound, But When The Chase Is Done
 I'll Take Off Through The Mountains And Have Fun, Fun, Fun

I've Got Style, Tearing Through The Curves
 Let My Flag Wave Proudly To The People That I Serve
 I'm Number One And I Will Always Be
 The Pride Of The South They Call THE GEN-E-RAL LEE

Chorus

I'll Jump That Pond And We'll Be Running Free
 And They'll Go Swimming Compliments Of Me
 The General Lee
