

Johnny Cash - The Long Black Veil

Tom: G

Ten years ago, on a cold dark night
 Someone was killed, 'neath the town hall light

There were few at the scene, but they all agreed
 That the slayer who ran, looked a lot like me

She walks these hills in a long black veil
 She visits my grave when the night winds wail
 Nobody knows, nobody sees
 Nobody knows but me

The judge said son, what is your alibi
 If you were somewhere else, then you won't have to die
 I spoke not a word, al-tho' it meant my life

For I'd been in the arms of my best friend's wife

The scaffold is high and eternity's near
 She stood in the crowd and shed not a tear

But sometimes at night, when the cold wind moans
 In a long black veil, she cries o'er my bones
 She walks these hills in a long black veil
 She visits my grave when the night winds wail

Nobody knows, nobody sees
 Nobody knows but me

Refrão:

She walks these hills in a long black veil
 She visits my grave when the night winds wail
 Nobody knows, nobody sees
 Nobody knows but me
